CLUB HISTORY

The journey of the club started way back out of a need that the community felt in constituting a common social platform for the exchange and upkeep of traditions and ideas. A few progressive men came together to form 'The Marwari Club' that took its baby steps and started functioning out of the residence of its first Secretary, Shri Kanai Lalji Jatia, a situation that would repeat itself during the Second World War when the Club was shifted to the residence of another member. The foundation of the Marwari Club was laid on 25th August, 1929. It took six years to finalize all arrangements and the Club took its position at the Rabindra Sarovar Lakes in 1935. The rowing activities of the club were suspended during World War II, between 1942-45, as the premises were required by the army. It took four years and a lot of hard work to re-organize rowing. Under the guidance of its first President, Sir B D Goenka and its illustrious founder members such as Shri Ghanshyam Das ji Birla, Shri Kanai Lalji Jatia, Shri Raghunath Prasad Ji Poddar, Shri Ramprasad ji Rajgaria, Shri Gajanand ji Jatia, Shri Brijmohan Ji Birla, Shri Shiv Kishanji Bhattar, Shri Prabhu Dayalji Himatsinghka, Shri S.K. Chaudhary, Shri Radha Kishanji Chamaria and Shri Ramdhan Dasji Jhajharia, the Club began to spread its wings like a graceful swan. Even though its inspiration was European in nature, it fine tuned the concept to suit its own traditional ethos. In fact, for those times, BRC took some unprecedented steps such as enrolling women members for rowing. Smt. Umaraoji Kheruka was the first lady rowing member, way back in 1937!

In keeping with its name, rowing was one of the earliest sporting activities of the Club. 18 Rowing Boats at the total cost of £125.10 were imported from London in 1936! In 1949, the Club was affiliated to the Amateur Rowing Association of the East (ARAE) and then in 1978, to the Far East Amateur Rowing Association (FEARA). The Club is also the founder member of the West Bengal Rowing Association (WBRA).

With India gaining its independence, the club was re-christened as The Bengal Rowing Club on 9th November, 1948. Given its fast growing reputation as a club that offered a family atmosphere, held on to its Indian roots yet welcomed progressive ideas, membership began to be much sought after from diverse communities such as Punjabis, Gujratis, Bengalis and of course Marwaris.

Over the years, many steps were undertaken to transform your club into a sports club with state of art infrastructure and training facilities.

Today, BRC is as much home to a toddler, as it is to a teenager or a septuagenarian. Not only is it well regarded for its sporting, culinary and social traditions, it also continues to add feathers to its already well plumed cap as it in inching towards the 100 year mark!

Membership Committee considered various issues with regard to admission of new members and other matters related to membership.

Existing Rules have been reviewed and simplified wherever felt necessary. As already intimated, our senior Members who have completed 25 years of Club Membership and are 70 years & above age, have been exempted from paying minimum usage charges and their subscription has also been reduced by 50%. Also Members who have completed 60 years of Club Membership, do not have to pay minimum usage charges as well as subscription. This was well appreciated.

New Members Directory has been published. Adequate care has been taken to ensure proper updates of all member data. Members are finding the new directory a very helpful tool.

STAKEHOLDERS' COMMITTEE

As you all know, the primary objective of the Stakeholders' Committee is to deal with members' grievances as well as suggestions. It is a Forum where Members can exchange their ideas and opinions. The practice of obtaining members' feedback has been very supportive which has helped your Club simultaneously to understand and appreciate your needs and areas to improve further. It is pointless to mention that Members satisfaction is our ultimate aim. Suggestions or queries as received during the year were dealt with and replied.

In the end, your Committee conveys its best wishes to all Club members for their continuous support throughout the year.

LABOUR & EMPLOYEE RELATIONS

Labour and employee relations refer to how labour representatives and management correlate. Its main objective is to maintain a good and tuneful relationship between the employer and employees. In BRC a cordial association with the labour union has been maintained throughout the year. Members service and work culture have improved a lot. As the validity of the last Agreement expired, a fresh Charter of Demands has been submitted by the operating Union and we expect that an amicable settlement will be reached soon.

Like earlier years, a dinner get-together was hosted on Monday, 29th January 2024 when the Governing Body members invited all BRC Staff along with their families at the Club Lawn. Most of the staff attended the dinner along with their families. In their welcome address, the President and Hony. Secretary of the Club expressed their happiness and thanked all present.

Your Club continues to lay utmost emphasis on environmental protection and beautification of the surrounding areas. We will always work in association with statutory bodies to maintain a pollution free atmosphere. Beautification of the area opposite to our Club is being done as usual.

In the end, your Committee thanks all employees for their loyal and dedicated services that they offered to Members and their guests.

POSH COMMITTEE

As per practice, this year also Club's first lady Smt.Sabina Rungta chaired the post of head of PoSH (Prevention of Sexual Harassment) Committee. Throughout the year, the Committee is actively involved and things are running smoothly. The team is always attentive to maintain a positive, safe and respectful workplace.

INDEPENDENT AUDITOR'S REPORT

To the Members of The Bengal Rowing Club Report on the Audit of the Financial Statements

OPINION

We have audited the accompanying Financial Statements of The Bengal Rowing Club ("the Club"), which comprise the Balance Sheet as at March 31, 2024, the Statement of Income & Expenditure and Cash Flow Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Club as at March 31, 2024, its deficit and its cash flows for the year ended on that date.

BASIS FOR OPINION

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Club in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

OTHER INFORMATION

The Club's Governing Body is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Governing Body's Report including Annexures to Governing Body's Report, but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

RESPONSIBILITIES OF MANAGEMENT FOR THE FINANCIAL STATEMENTS

The Club's Governing Body is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Club in accordance with the accounting principles generally accepted in India, specified under section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Club and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Club's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Club or to cease operations, or has no realistic alternative but to do so. Those charged with governance are also responsible for overseeing the Club's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Club has adequate internal financial controls system in place and operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Club's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Club to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

ANNEXURE - A TO THE INDEPENDENT AUDITOR'S REPORT

The Annexure referred to in paragraph 2(g) under the heading "Report on Other Legal and Regulatory Requirements" of our Independent Auditors' Report of even date in respect to the internal financial control under clause (i) of sub-section 3 of section 143 of the Act of The Bengal Rowing Club for the year ended 31st March 2024, we report that:

We have audited the internal financial controls with respect to financial statements of The Bengal Rowing Club ("the Club") as of 31st March, 2024 in conjunction with our audit of the financial statements of the Club for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Club's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Club considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Club's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Club's internal financial controls with respect to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls with respect to financial statements (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with respect to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with respect to financial statements and their operating effectiveness. Our audit of internal financial controls with respect to financial statements included obtaining an understanding of internal financial controls with respect to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Club's internal financial controls system with respect to financial statements.

Meaning of Internal Financial Control with respect to financial statements

A Club's internal financial control with respect to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Club's internal financial control over financial reporting includes those policies and procedures that pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Club; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Club are being made only in accordance with authorizations of management and directors of the Club; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Club's assets that could have a material effect on the financial statements.

Inherent limitations of Internal Financial Controls with respect to Financial Statements

Because of the inherent limitations of internal financial controls with respect to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with respect to financial statements to future periods are subject to the risk that the internal financial control with respect to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Club has, in all material respects, maintain an adequate internal financial controls system with respect to financial statements and such internal financial controls with respect to financial statements were operating effectively as at 31st March 2024, based on the internal control with respect to financial statements criteria established by the Club considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls With respect to financial statements issued by the Institute of Chartered Accountants of India.
